

Dear Parent,

You are invited to attend a forum and provide valuable feedback to help us develop and improve supports for students with disability across Tasmanian Government schools.

Three consultation forums for parents of children with disability will be held across Tasmania. The forums will be a platform to discuss your school's partnership with families of students with disability, how supportive and inclusive your school is and resourcing for your child with disability.

You are invited to attend a forum, led by an independent group called KPMG, and provide valuable feedback on the lived experience of disability in Tasmanian Government schools.

If you are interested in participating in a forum please register via the online form below:
