## Year 1, 2 and 6 Swimming and Water Safety Program

All students in Year 1, 2 and 6 will be participating in the Swimming and Water Safety Program for the week, **14-18 May** at the Collegiate Pool.

### Times:

Class/Year	Times
Year 1-2G	9:30 - 10:00
Year 1-2N	10:00 – 10:30
Year 1-2W	10:30 – 11:00
Year 1-2P	11:00 – 11:30
Year 6s (from 5-6PT and 5-6H)	11:30 - 12:00
Year 6s (from 5-6C and 5-6GM)	12:00 – 12:30

The aims of the program:

- teach essential aquatic skills including survival skills and water safety
- teach children to swim by increasing their confidence in a friendly aquatic environment
- to ensure that every child is aware of their individual ability when in and around water.

The wearing of **swimming caps** is a requirement at the Collegiate Pool. **Caps** are available at the **school office** for a cost of **\$2.00**.

**Goggles** are recommended for eye comfort but they are **not compulsory**. Some sessions will require goggles not to be worn (Water Safety components) so children learn not to become dependent wholly on goggles.

As well as goggles and swimming cap, children will need bathers (NO board shorts or t-shirts please), towel and a water proof bag for wet gear. Don't forget underwear.

Parents are invited to take the opportunity of observing their child's progress during the Program (preferably days 2, 3 or 4).

Hoping all students have a great week.

Regards

Danielle Bresnehan  
Principal
